

Identify by type/category and location all taxable business personal property in your possession on January 1 by darkening the "YES" or "NO" bubble (•). If you managed or controlled property as an agent on January 1, **attach a list of the names and addresses of each property owner.** A "Good Faith Estimate Of Market Value" is your best estimate of what the property would have sold for in U.S. dollars on January 1 of the current tax year if it had been on the market for a reasonable length of time and neither you or the purchaser was forced to buy or sell. For inventory, it is the price for which the property would have sold as a unit to a purchaser who would continue the business. The "Good Faith Estimate Of Market Value" section will assist the appraisal district in valuing your property and **must be completed if you choose not to provide a "Historical Cost Value Estimate" at Steps 3.3 and 3.E.** If you choose to provide a "Good Faith Estimate Of Market Value", complete Box 1A - F1 then total in Box G1 or simply place an overall estimate in Box G1. **Transfer Box G1 to Step 3.C on page 1 of this form.**
